## A Community Conversation

All are welcome to this special evening of  
**CONVERSATION and PERFORMANCE.**

**Wednesday,  
October 22  
7-9 pm  
FREE**

**Location:** THREEFOLD AUDITORIUM  
260 HUNGRY HOLLOW RD., CHESTNUT RIDGE, NY

**Information:** Contact Abigail Dancey  
ABIGAIL@THREEFOLD.ORG OR 845-352-5020 X25.

The evening will begin with a conversation facilitated by internationally known facilitator Roberta Wall (steps2peace.com) about the issues surrounding our school district. Using the principles of Nonviolent Communication ( [www.cnvc.org](http://www.cnvc.org) ) Roberta will guide us in a model of conversation and small group processes that are meant to create connection around each point of view and the humanity of each speaker. This model will lay the basis for continuing a new type of conversation and connection among all of us. A special performance of East Ramapo will follow.

**EAST RAMAPO**, written by Mark Judelson, is a dramatic series of monologues and conversations of individuals directly involved in the East Ramapo Central School District.
